## Operator-In-Training

The Ontario First Nations Technical Services Corporation (OFNTSC) is a nonprofit organization that provides technical advisory services, training, and capacity development to First Nations communities in Ontario. By offering a wide range of specialized services and expertise, OFNTSC helps to enhance the quality of life, promote self-sufficiency, and foster economic growth within these communities.

We are seeking a highly motivated and skilled Operator in Training to join our team at OFNTSC. Under the guidance of the HUB Supervisor, the Operator in Training will play a crucial role in assisting the Water Treatment Plant Operator in operating, maintaining, and monitoring their community's water and wastewater infrastructure. This position requires general maintenance, checking, testing, and repairing water distribution systems.

These tasks must be executed in alignment with the culture and values of OFNTSC while maintaining strict confidentiality.

### Responsibilities:

- Support the operation of water treatment and distribution systems.
- Check, clean & lubricate waterworks equipment.
- Adjust and repair waterworks equipment under the direction of a qualified WTP Operator.
- Testing and monitoring using chemicals (such as chlorine).
- Perform general maintenance on waterworks equipment.
- Provide labour support for water & wastewater operations as needed.
- Assist the WTP Operator in maintaining, testing, and monitoring water mains, major sewers, and pumping stations.
- Working in unsanitary and odorous conditions.
- Responds to inquiries, complaints, and concerns promptly and professionally.
- Keeps a record of work performed and the location and condition of equipment.
- Search, locate, and repair reported water distribution system leaks.
- Fire hydrant repairs and fire hydrant flow testing.
- Knowledge, understanding, and experience applying related Provincial legislation and acts.

### Qualifications:

- Minimum of Grade 12 education or relevant post-secondary education in a technical or environmental field of knowledge.
- Demonstrated ability to progress through the Ministry of Environment, Conservation and Parks (MOECP) Operator licensing and water distribution and treatment certification.
- Effective communication skills (oral and written).

## Conditions:

- Reliable and insured vehicle and Valid Class G Ontario driver's license
- Must be a member of the participating Unaffiliated First Nation's community and available after regular working hours to work in emergencies
- Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
- Ability to travel extensively throughout the Province of Ontario on a weekly basis

\*Priority will be given to First Nations applicants who meet the mandatory requirements.

In efforts to promote the safety, security, and well-being of staff members, communities, and people we come into contact with, the OFNTSC Human Resources department will be giving preference to applicants who have proof of two total doses of a Health Canada-approved COVID-19 vaccination.

**APPLY HERE**

If you are passionate about supporting First Nations communities and possess the necessary skills and qualifications, please submit your resume and a cover letter outlining your suitability for the position. Please upload your documents and label as **[LastName\_FirstName\_Operator-in-Training]**.

We thank all applicants. However, only those receiving an interview will be contacted.
